UNNPO2 Dylan Lewis-Creser

Agenda item: H.1.2. U18 YG Non-Portfolio Officer (x3)

Which role are you applying for?:
Under 18 Non-Portfolio Officer

Local Party:
North Northamptonshire Green Party

Candidate Statement

I am running for re-election as Under 18 Non-Portfolio Officer because I believe that I have the skills and experience to best represent the Under 18 experience and fight for our voices to be heard. I am currently a Non-Portfolio Officer on the Under 18s Committee, a role to which I started in September last year. Along with my other talented colleagues, we have revitalised the Under 18 group from a period of relative inactivity; with a strong social media presence and hosting the recent "Young People & COP 26" talk, the Under 18s Greens most successful event to date.

I have experience from the Green Party that will help me in this role: I am currently the Young Greens Officer & Election Campaigns Officer for the North Northamptonshire Greens - the latter of which I organised the campaign that led to our first ever Green councillors in Northamptonshire, 3 gains from Conservative! This shows that I know what we need to do to continue winning and being at the forefront of British politics, as Britain's new 3rd party. I am also Regional Lead for the Midlands with the LGBTIQA+ Greens, a role I share with an amazing individual and we are just in the starting process of setting this up - something that is very exciting for the LGBTIQA+ Greens and myself.

I appreciate you reading this statement of mine, and hope you consider giving me your vote for this incredibly important role.
