Which role are you applying for?:
Equality and Diversity Officer

Neath

Candidate Statement

Having joined the Green Party in August 2019, I have consecutively stood in the 2019 UK General Election, a town council by-election where I came 56 votes short of beating labour and then stood in the 2021 Senedd campaign as not only GP candidate for Neath but had the honor to be internally elected at lead list candidate for South Wales West Region. I am also my local party contact and take great joy in canvassing, phone banking and meeting and introducing new members.

I'm applying for the role as E.1.9 as I have constantly and openly campaigned as a proud member of the LQBTGI+ and a proud Nerodivent (dyslexic/dyspraxic. I also grew up in a family of care givers to people from pretty much every walk of life and hope that I could bring real passion and dedication to the role. I like to hope that my people skills and enthusiasm would also be vital in organising and activation for the new liberations groups
