UNNPO1 William Back

Agenda item: H.1.2. U18 YG Non-Portfolio Officer (x3)

Which role are you applying for?:
Non-Portfolio Officer (Under 18 Young Greens)

Local Party:
Under 18 Young Greens

Candidate Statement

I am a 16-year-old student who is passionate about the Climate and the world around us. I am a firm believer in the power of Young People and the difference we can make at any age if you are passionate. I've always been very eager, for example, pressuring my school to shift away from single use plastics and promote a more environmentally friendly way of life in and out of school. As Non-portfolio Officer I would be keen to increase membership and spread the word about the Green Parties policies to avoid Climate Chaos and improve Human Rights for people in the trans community. As NPO, I believe I can make a difference and show people that the Green Party are the only party worth supporting as we lead the charge with our policies.
