# D1-IS EC Quorum and Delgation Young Greens Constitution 2020/2021

Proposer: Isaac Searle (Stratford-on-Avon District)

## Motion Text

In line 283:
1.7 The quorum for EC decisions is ~~50% + 1~~an absolute majority of all EC members.

1.8 An absolute majority of the Executive Committee may delegate authority, responsibilities, and powers over a set area to a set subset of the Executive Committee for a set period.

## Reason

EC should have this flexibility to delegate authority, but it should always be approved by an absolute majority of EC.
