D1 JB1 - GSC Co-Convenors on EC Constitution

Proposer: Jane Baston (York Green Party)

Motion Text

Insert from line 261 to 262:
1.1.3 Six Non-Portfolio Officers, one of whom shall be responsible for the Equality and Diversity portfolio.

1.1.4 Green Students Co-convenors, who shall be responsible for the Green Students Committee.

Insert from line 332 to 333:
3.5 Vacant positions may be co-opted at any time throughout the year following the procedure outlined in the standing orders.

3.6 The Green Students Co-convenors shall be members of the Executive Committee as outlined in Byelaw 1.

Reason

The current Green Students Co-Convenors have been involved in, and contributed to the work of the current Executive Committee that is outlined in byelaw 1, in addition to their duties as Co-convenors of the Green Students Committee. They act as members of the Executive Committee but do not have the ability to vote on decisions taken by the Executive Committee. In order to ensure that all those work on and that are elected to work on national campaigns for the Young Greens the Green Students Co-convenors should be full members of the Executive Committee and able to vote in any decisions made there.

This change should be immediately enacted following approval from the Young Greens membership.
