Resolution date: 10/29/2020
Agenda item: D Amendments to Constitution/Standing Orders

1 Young Greens Constitution 2020/2021

2 Article 1: Name, Membership and Objectives

3 1.1 The name of the organisation is “Young Greens of England and Wales”.

4 1.2 The accepted abbreviations are “Young Greens” or “YG” and in all
5 publications this name and abbreviations shall be synonymous.

6 1.3 The geographical boundaries of the Young Greens are England and Wales.

7 1.4 The Young Greens aim to encourage young people to become active in politics
8 and within the Green Party of England and Wales.

9 1.5 The Young Greens consists of all members of the Green Party of England and
10 Wales:

11 1.5.1 aged 29 years or less;

12 1.5.2 full-time students regardless of age;

13 1.6 Membership of the Young Greens includes voting rights to all elections in
14 accordance with this constitution.

15 1.7 An individual’s membership of the Young Greens can be permanently terminated
16 by an absolute two-thirds majority vote of the Executive Committee with the
17 agreement of the Chair of the Democracy and Accountability Committee. Where the
18 individual is a member of those committees, they will not be able to vote on or
19 be required to approve the termination and the absolute two-thirds majority will
20 exclude that individual.

21 1.8 Termination of membership can only occur if their membership is considered
22 to be detrimental to the work of the Young Greens. Prior to that, however, the
23 Young Greens Complaints and Disputes Procedure should have been used, as
24 outlined in Article 5.

25 Article 2: Organisation

26 2.1 The Young Greens is composed of individual members, committees and
27 Affiliated Groups, whose constitutions, aims and values should be consistent
28 with those of the Young Greens and the Green Party of England and Wales.

29 2.2 The Young Greens will be run by an Executive Committee, defined in Byelaw 1.

30 2.3 There will be a Democracy and Accountability Committee with responsibility
31 for constitutional affairs and inclusivity, as defined in Byelaw 2.

32 2.4 There will be a Green Students Committee consisting of two Co-Convenors and
33 five Non-Portfolio Officers, defined in Byelaw 4.

34 2.5 The Executive Committee, Democracy and Accountability Committee and the
35 Green Students Committee Co-Convenors will be elected at the Young Greens Annual
36 General Meeting according to the provisions in Section D of the Standing Orders.

37 2.6 Subcommittees may be formed either by a member of the Executive Committee,
38 where a simple majority vote of the Executive Committee has passed, or by a
39 petition of 25 members to a General Meeting.

40 2.7 All other groups outside of the committees defined in sections 2.2-2.5 will
41 be named Affiliated Groups, including Groups for the Regions of England, Wales,
42 Local Groups or Liberation Groups.

43 2.8 Affiliated Group constitutions should state that they are a part of the
44 Young Greens of England and Wales and not contradict the Young Greens
45 constitution in any way.

46 2.9 For a group to be affiliated, they must be accepted by an absolute majority
47 vote of the Executive Committee.

48 2.10 The Executive Committee must keep a list of affiliated groups and review it
49 each year after Convention.

50 2.11 An affiliated group of the Young Greens can be disaffiliated by an absolute
51 two-thirds majority vote of the Executive Committee if they are in violation of
52 this constitution or if their membership is considered detrimental to the work
53 of the Young Greens.

54 **Article 3: Amendment of the Constitution**

55 3.1 This constitution may only be amended by a two-thirds majority vote at a
56 General Meeting.

57 3.2 The byelaws to this constitution which all have the status of parts of this
58 constitution may be amended, created or revoked by a two-thirds majority vote at
59 a General Meeting.

60 3.3 A minor change to the constitution and standing orders, for the purpose of
61 the editing power that is held by DAC, is defined as one where the meaning of a
62 clause, or outcome of a clause, has not been altered (although it may be
63 clarified), nor additional clauses introduced; and the change is for the
64 purposes of correcting errors or inconsistencies in typography, spelling, or
65 grammar; clarifying a meaning, or correcting the numbering of clauses.

66 **Article 4: The Standing Orders**

67 4.1 The Standing Orders is a document which governs any elections within the
68 Young Greens and the processes of Convention and a General Meeting.

69 4.2 The Standing Orders must be followed at all times. They can be amended by a
70 two-thirds majority at a General Meeting.

71 4.3 Where there is a perceived contradiction between the Constitution and
72 Standing Orders, the Democracy and Accountability Committee shall rule on the
73 correct interpretation with precedence given to the Constitution.

74 Article 5: Complaints and Disputes

75 5.1 There shall be a Complaints and Disputes Subcommittee (C&D) of the Democracy
76 and Accountability Committee.

77 5.2 C&D will be constituted of a permanent representative from the Democracy and
78 Accountability Committee (hereby known as the DAC Rep), who will chair the
79 group, as well as four volunteers from the Young Greens membership, to make five
80 total members. Two of these four spaces should be advertised first to the Young
81 Greens Liberation Group Co-Chairs, with priority given to Young Greens of Colour
82 and Young Greens Women of Colour, before being opened to the wider membership if
83 no volunteers step forward who are Liberation Group Co-Chairs. Where there are
84 too many volunteers, selection will be made by DAC; candidates may be put on a
85 reserve list that would be used when other members are recused (see 2.). Where
86 there are too few volunteers, the remaining membership will be drawn by lots
87 from: Co-Convenors of Groups of the Regions of England, and Wales; Green
88 Students Committee members; and Young Green Liberation Group Co-Chairs. At least
89 two members of C&D should not be self-defining men.

90 5.3. C&D should have 5 participating members for every case dealt with. A
91 reserve list of members may be created by DAC in order to ensure that this is
92 possible, as members may be taking leave of absence. It may also be that members
93 have personal interests in the outcome of a case, or possess personal or
94 professional relations, amicable or otherwise, with those involved in a case.
95 Applications for recusal may be made by members of C&D, DAC, EC any Young Green
96 directly involved within a case, and are submitted to DAC, and may be done so by
97 or on the behalf of a member of C&D. A majority vote from DAC determines if a
98 member is recused. If the DAC Rep is recused, C&D is to vote on an acting Chair
99 for a case, who must be a member of C&D. Recusal should happen before the point
100 of formal intervention (the implementation of Section B.3).

101 5.4 C&D membership will be from its initiation until the following Young Greens
102 Convention, after which C&D will be re-formulated following Article 5.2. It is
103 permissible to re-volunteer. Complaints and Disputes will be dealt with by a
104 single C&D only and will not be passed on between re-formulations (except in the
105 case of resignations). This may lead to persons carrying out C&D duties for as
106 long as a complaint of dispute takes to judge on.

107 5.5 Members are to submit complaints based on breaches of the Young Greens
108 Constitution, Young Greens Standing Orders, Green Party Constitution, Green
109 Party Standing Orders, Green Party Code of Conduct or any other organisational
110 policies of the Green Party of England and Wales and Young Greens, including
111 anti-harassment and Safe Space policies.

112 5.6. Any complaints about another member of the Young Greens, or disputes that a
113 member feels they need help resolving, should go in the first instance to the
114 C&D. If for whatever reason a member does not feel comfortable approaching any
115 C&D member, they may go to Young Greens Staff, Young Greens Non-Portfolio
116 Officer with the Equality and Diversity Portfolio or to the Democracy and
117 Accountability Committee.

118 5.7 In the first instance when a complaint is lodged, a member of the C&D will
119 speak to involved parties and attempt to resolve the issue informally whilst
120 maintaining clear records, in accordance with Article 5.14.

121 5.8 Where any involved parties feel that hasn't worked, or where any parties
122 refuse the informal intervention, the complaint should be made in writing. All
123 involved parties will have equal chance to state their own case.

124 5.9 C&D Subcommittee will consider the complaint and make a judgment, in
125 writing, to all parties. Judgements should include a ruling on whether there
126 have been breaches of the Young Greens Constitution, Young Greens Standing
127 Orders, Green Party Constitution, Green Party Standing Orders, Green Party Code
128 of Conduct or any other organisational policies of the Green Party of England
129 and Wales and Young Greens, including anti-harassment and Safe Space policies.

130 5.10 After a judgement, C&D Subcommittee will make a recommendation of action to
131 either or both complainants. In cases where there is a need for disciplinary
132 action, to DAC or another relevant body where appropriate. These disciplinary
133 actions may include, but are not limited to:

134 5.10.1 Ban from Young Greens Events/Spaces, for a period of up to 12 months

135 5.10.2 Suspension of Young Greens membership, for a period of up to 12 months

136 5.10.3 Censure from holding a position within the Young Greens, for a period of
137 up to 12 months

138 5.10.4 Permanent termination of membership, as outlined in Article 1.7

139 5.11 Where the case is deemed to be serious enough, C&D Subcommittee may
140 recommend a suspension for the period of the investigation and which must be
141 agreed by the Chair of the Democracy and Accountability Committee.

142 5.12 If the recommended action(s) following a judgment are not followed by the
143 involved parties, C&D should make recommendations of action to the EC or DAC.

144 5.13 If an individual; wishes to appeal a judgment made by C&D, they may do so
145 by communicating to DAC. The grounds for an appeal are if new evidence emerges,
146 or if C&D broke procedure. DAC should look over the evidence presented by the
147 appellant and may make a ruling on whether the appeals process should be
148 initiated. In this case, appeals will be heard by a new group formulated on the
149 same basis as C&D in 5.3 but excluding C&D members that made the original
150 judgment. This may be drawn from the list of reserve members.

151 5.14 There should be clear minutes and records of actions kept of all C&D
152 meetings. These may be disclosed beyond C&D at the discretion of C&D
153 Subcommittee, and a need for confidentiality and fair treatment must be
154 considered. C&D are to submit reports of each case to DAC. DAC will then include
155 a general, anonymous summary of these in their annual report.

156 5.15 A response to all initial complaints should be made to the initiator of the
157 complaint within 48 hours of receiving the complaint, in which the standard
158 process is outlined to them and how C&D intend to carry out the informal
159 mediation.

160 5.16 Informal mediation should start within 5 days of a complaint or dispute
161 being lodged.

162 5.17 A judgment should be made within 3 weeks of a complaint or dispute being
163 lodged in writing following informal mediation failing or where the written
164 statement refuses informal mediation.

165 5.18 Any requests for updates from any involved party should be responded to
166 within 72 hours.

167 5.19 Extensions to these deadlines should be sought from DAC in extenuating
168 circumstances

169 5.20 Malicious complaints made against a Young Greens member are serious and a
170 breach of the principles outlined in the Constitution as well as the GPEW Code
171 of Conduct. C&D Subcommittee will dismiss malicious complaints and may notify
172 relevant parties that a malicious complaint has been made.

173 **Article 6: The Young Greens Record of Policy** 174 **Statements**

175 6.1 There shall be a Young Greens Record of Policy Statements (hereafter YG
176 RoPS) that contains contemporary policy statements from the Young Greens of
177 England and Wales.

178 6.2 Actions from Young Green bodies should not contradict statements in the
179 RoPS.

180 6.3 Statements may be submitted to the YG RoPS by a simple majority vote of a
181 motion submitted to Convention. Alternatively, statements may be submitted to
182 the YG RoPS by a simple majority vote of the Executive Committee, with the
183 consent of SPC. All statements added between Conventions are to be reported to
184 the following Young Greens Annual General Meeting by DAC and recorded in DAC
185 monthly reports.

186 6.4 Statements may be removed from the YG RoPS by a simple majority vote of a
187 motion submitted to Convention. Alternatively, statements may be removed from
188 the YG RoPS by a simple majority vote of the Executive Committee, with the
189 consent of DAC. All statements removed between Conventions are to be reported to
190 the following Young Greens Annual General Meeting by DAC and recorded in DAC
191 monthly reports.

192 6.5 After five years of a statement being entered into the YG RoPS, it is
193 considered to be in grace as recorded by DAC. This means that it will be
194 reported to be in grace to the following Young Greens Annual General Meeting by
195 DAC, who will give Convention the chance to vote on whether it should stay in
196 the YG RoPS, which requires a simple majority. This restarts the five-year
197 placement of that statement into the YG RoPS.

198 6.6 The YG RoPS should be publicly available.

199 **Article 7: The Young Greens Record of** 200 **Organisational Statements**

201 7.1 There shall be a Young Greens Record of Organisational Statements (hereafter
202 YG RoOS) that contains organisational policies from the Young Greens of England
203 and Wales.

204 7.2 Actions from Young Green bodies should not contradict statements in the
205 RoOS.

206 7.3 Statements may be submitted to the YG RoOS by a simple majority vote of a
207 motion submitted to Convention. Alternatively, statements may be submitted to
208 the YG RoOS by a simple majority vote of the EC, with the consent of SPC. All
209 statements added between Conventions are to be reported to the following Young
210 Greens Annual General Meeting by DAC and recorded in DAC monthly reports.

211 7.4 Statements may be removed from the YG RoOS by a simple majority vote of a
212 motion submitted to Convention. Alternatively, statements may be removed from
213 the YG RoOS by a simple majority vote of the EC, with the consent of DAC. All
214 statements removed between Conventions are to be reported to the following Young
215 Greens Annual General Meeting by DAC and recorded in DAC monthly reports.

216 7.5 Each year EC will review the RoOS and bring a list of statements they judge
217 to be out of date to Convention for a vote of retention or removal.

218 7.6 The YG RoOS should be publicly available.

219 **Article 8: Safe Spaces Policy**

220 8.1 The Young Greens are committed to providing an environment free of racism,
221 sexism, ableism, homophobia, transphobia, religious discrimination or any other
222 types of oppression, including, but not limited to, oppression against non-
223 binary identities and sex workers.

224 8.2 The Young Greens are committed to providing an environment free of bullying,

229 spaces are jeopardised.

230 8.5 The Young Greens will follow guidance regarding safe spaces in the RoOS.

231 8.6 When it comes from outside of the Young Greens but within the Green Party,

233 or discrimination including hate crime to the Green Party of England and Wales

250 agency or the police.
